As a single teacher, you've got quite the nerve to make me wait this much.
Haha, I'm late.
Sorry, sorry.
For a teacher, time with his students are important.
...So, what do you want?
Your Excellency, Prime Minister.
Hmph, you and your empty flattery...
Huh~? What might you be talking about?
I'm talking about how you told those students where "Ouka" is!!
Anyway, let me ask you. How do you plan to excuse yourself from the incident the other day?
Now, now. That was just my students
Making their own conclusions from what I said.
Ha Ha Ha
.....
Perhaps it's the effect of me always making those boring puns.

Huh? Why?
Do you even need a reason!?
"Himeshiro Sakurako." Remove that girl from this project!!
Fine, let's move on to the main topic.
The project has only gone on for a few days. In just a few days, this has already happened. That influence, that infectiousness is formidable.
We can only think of this as a result of that "Himeshiro Sakurako's" influence.
"Ouka" broke out of the facility. This behavior would have been unthinkable with "Ouka" before.

Is that really okay?
What a shame... I've started seeing good symptoms though.
I didn't ask for your opinion.
And so, purge "Himeshiro Sakurako" from this project.
Before this project even comes into fruition!
At this rate, she might spread her bad influence onto "Hanasaka Haru"

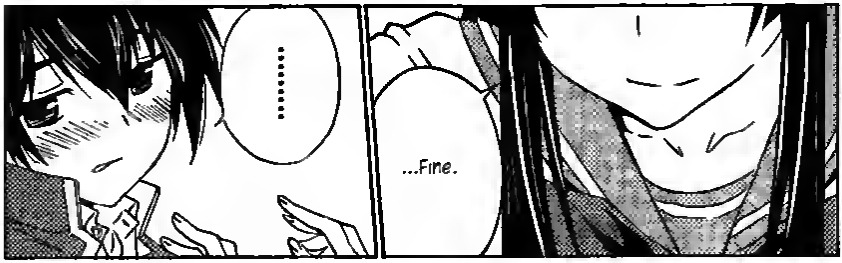
Hey, Hanasaka...
Hanasaka, how do you feel about me?
Eh... Uh, what do you mean by that?
Which is it!?
I'm asking you whether you like me or hate me!!

Himeshiro-san, you said before that your marriage partner has already been decided, right?
So, how I feel about you or anything doesn't matter now-

So what!? I'm asking you how you feel!!

Look at me!!



.....
...Fine.

Sorry, Kanasaka.

In the end, I couldn't find Shikishima-san anywhere...
Wh-What's wrong, Tachibana-sensei!?
I'm sorry I'm such a no good teacher!!
I didn't have any experience with school life or anything,
And I didn't have any friends either, so I got carried away...
Either way, I'm really sad that it ended up like this!
We're even on that point. I wasn't exactly the best student there is anyway.

Sensei?
It was a short while, but it was fun.
Tachibana-sensei, Farewell.
Wait, Sensei, what are you-
I'm going with you!!
Do what you want.
Please! Let me send you off!!
27
Hey, it's okay, right!?
にゃ

It's the place you know nothing about... The real world.
By the way, where will they take me this time?
To the facility I was in before?
By "real world," you mean what's beyond the fence surrounding this town?
It's the world that the "LastGen" must never know anything about. Our world.

Ever since I was born, I was kept inside a "LastGen" facility.
Well, they're all the same. I'm used to the cruel environment there anyway...

If you want to run away, Sensei will do her best to help you.
Although staying here is not possible anymore

Sensei, you must really like being questioned.
A-As if!! Stop laughing!!
Is it that bad?
Actually, they brought me in for questioning again yesterday.
Pu!
Your feelings are enough.
If you keep saying that, you'll be brought in for questioning again.
